

Pemrograman Web Lanjut

Tugas - 2

Berikut ini adalah screen capture, ketika program dijalankan. Dimana terdapat form yang berisi NPM, First name, Middle name, Last name dan Birthdate.

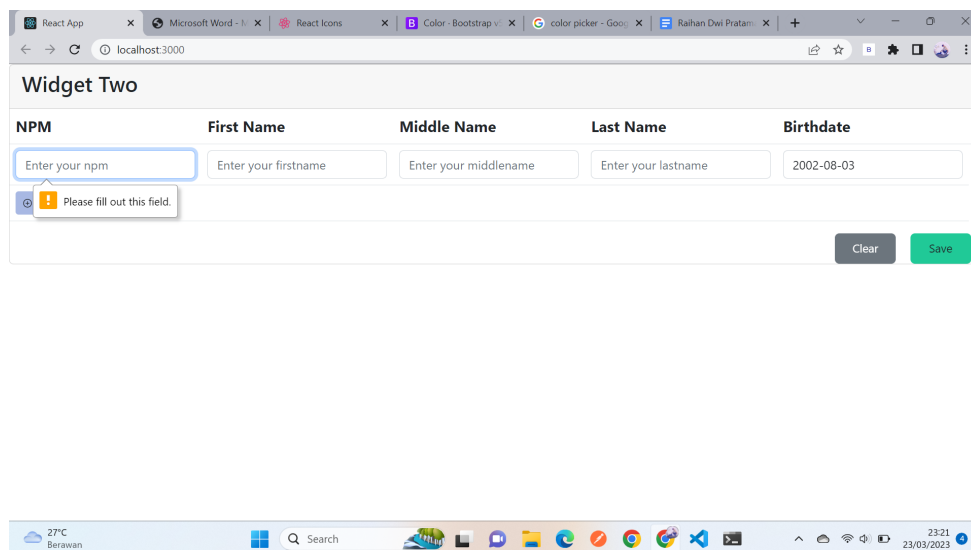

The screenshot shows a web browser window with the URL `localhost:3000`. The page title is "Widget Two". Below the title is a form with five input fields: "NPM", "First Name", "Middle Name", "Last Name", and "Birthdate". The "NPM" field is highlighted with a blue border. Below the fields is a button labeled "Add new row". At the bottom right of the form are two buttons: "Clear" and "Save". The Windows taskbar at the bottom shows the date and time as 23:18 on 23/03/2023.

NPM	First Name	Middle Name	Last Name	Birthdate
Enter your npm	Enter your firstname	Enter your middlename	Enter your lastname	2002-08-03

[Add new row](#)

[Clear](#) [Save](#)

Selanjutnya, ketika semua inputan sudah dimasukkan oleh user. Maka, ada beberapa field yang divalidasi terlebih dahulu datanya. Berikut ini adalah tampilan ketika NPM tidak diisi.

The screenshot shows the same web browser window as before, but now the "NPM" field has a validation error message: "Please fill out this field." displayed next to it. The "Add new row" button is still visible below the fields. The "Clear" and "Save" buttons are still at the bottom right. The Windows taskbar at the bottom shows the date and time as 23:21 on 23/03/2023.

NPM	First Name	Middle Name	Last Name	Birthdate
Enter your npm	Enter your firstname	Enter your middlename	Enter your lastname	2002-08-03

[Add new row](#)

[Clear](#) [Save](#)

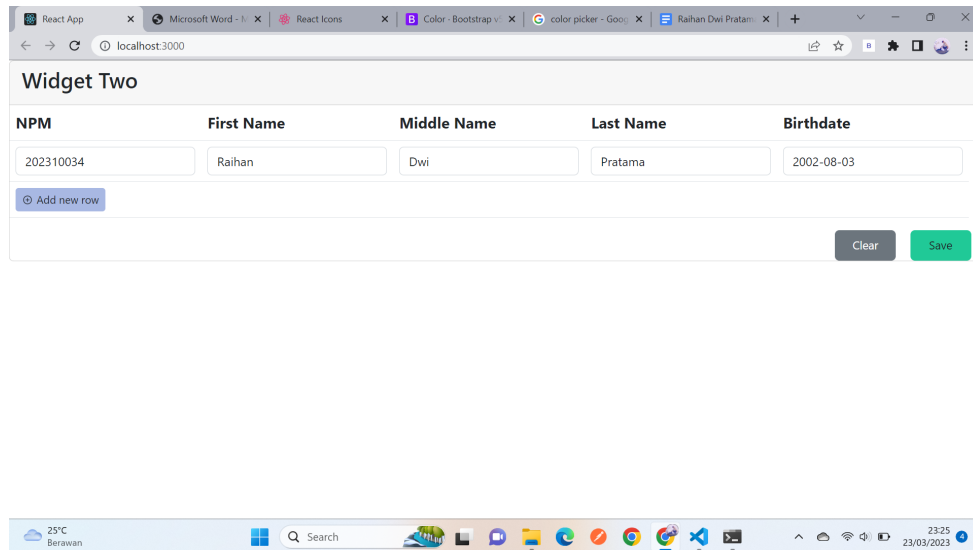

Selanjutnya, yaitu mengecek First name yang dimasukkan oleh user. Disini mengecek inputan harus dimasukkan oleh user dan tidak boleh dikosongkan nilainya.

The screenshot shows a web browser window with the URL `localhost:3000`. The page title is "Widget Two". It contains a form with five input fields: "NPM", "First Name", "Middle Name", "Last Name", and "Birthdate". The "NPM" field contains the value "202310034". The "First Name" field is highlighted with a blue border and contains the placeholder text "Enter your firstname". A red tooltip with an exclamation mark icon and the text "Please fill out this field." is displayed below the "First Name" field. The "Middle Name" field contains the placeholder text "Enter your middlename". The "Last Name" field contains the value "Pratama". The "Birthdate" field contains the value "2002-08-03". Below the "NPM" field is a blue button labeled "Add new row". At the bottom right of the form are two buttons: "Clear" (grey) and "Save" (green). The Windows taskbar at the bottom shows the date and time as 23:23 on 23/03/2023.

Selanjutnya, yaitu mengecek Last name yang dimasukkan oleh user. Disini mengecek inputan harus dimasukkan oleh user dan tidak boleh dikosongkan nilainya.

The screenshot shows the same web browser window as the previous one. The "First Name" field now contains the value "Raihan". The "Middle Name" field contains the value "Dwi". The "Last Name" field is highlighted with a blue border and contains the placeholder text "Enter your lastname". A red tooltip with an exclamation mark icon and the text "Please fill out this field." is displayed below the "Last Name" field. The "Birthdate" field still contains the value "2002-08-03". The "Add new row" button and the "Clear" and "Save" buttons are still present. The Windows taskbar at the bottom shows the date and time as 23:24 on 23/03/2023.

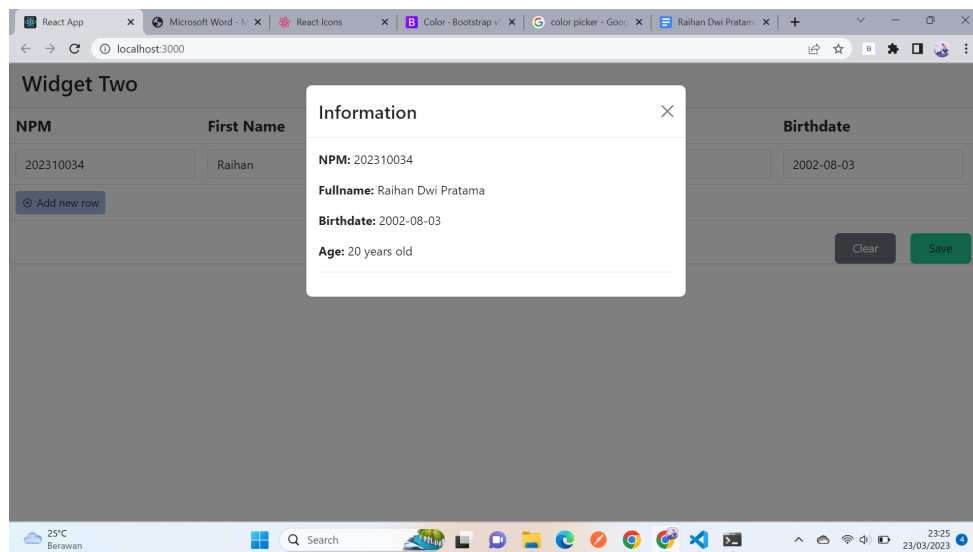

Selanjutnya, yaitu mengecek Birthdate yang dimasukkan oleh user. Disini mengecek inputan harus dimasukkan oleh user dan tidak boleh dikosongkan nilainya.

NPM	First Name	Middle Name	Last Name	Birthdate
202310034	Raihan	Dwi	Pratama	2002-08-03

Buttons: Add new row, Clear, Save

Terakhir, bila semua inputan yang dimasukkan oleh user sudah benar semua. Maka outputnya akan menampilkan pesan seperti dibawah ini.

Information

NPM: 202310034

Fullname: Raihan Dwi Pratama

Birthdate: 2002-08-03

Age: 20 years old

Bila user ingin memasukkan data lebih dari satu, maka user bisa melakukan klik pada button “add new row”, maka tampilannya akan seperti ini.

Bila inputan user untuk data nomor dua sudah diisi semua field yang diperlukan maka akan menampilkan data seperti gambar dibawah ini.

Selanjutnya, jika user ingin menghapus data kedua maka user bisa melakukan klik pada ikon berbentuk tempat sampah, dan data di baris kedua akan terhapus.
